### Edenton Police Respond to Shooting on North Broad Street

**EDENTON** – On February 16, 2024 at 4:17 p.m., the Edenton Police Department received several real-time alerts of gunfire from our Acoustic Threat Detection (ATD) technology. This led EPD to the location of 711 North Broad Street (Red Apple). After arriving on scene, EPD Officers discovered a gunshot victim. The victim was transported to ECU Health Medical Center in Greenville, N.C.

After further investigation, EPD developed enough probable cause to arrest Ky'Heem Ka'vun Stanley – 28 year old B/M of the 100 block of Elm Grove Road in Edenton – for one count of Attempted First Degree Murder, one count of Assault with Deadly Weapon with Intent to Kill - Inflicting Serious Injury, one count of Carrying a Concealed Weapon, Discharging a Firearm in Town Limits and Injury to Real Property.

Stanley was taken before the on-duty magistrate and placed under **no bond** for **Attempted First Degree Murder** and **Assault with Deadly Weapon with Intent to Kill Inflicting Serious Injury**. Stanley was placed under an **\$150,000.00 secured bond** for **Carrying a Concealed Weapon** and **Discharging a Firearm in Town Limits**. He was also placed under a **\$50,000.00** secured bond for **Injury to Real Property**.

This investigation is ongoing and EPD has several other individuals that we know are involved and more warrants are forthcoming. Anyone with information or that witnessed this tragedy needs to call EPD at (252) 482-9890. Speak up now, and let us remove bad actors from our community.

EPD also developed Eddie Andrews and Kra'Qon Whidbee as additional suspects in this case, and located their whereabouts not long after. We thank our community for their support and assistance as always in locating suspects, and we will continue to strive to address violent crime, not just in Edenton, but in the greater northeast North Carolina area.

"This is yet another example of how our ATD sensors helped to identify and consequently arrest Stanley within 24 hours," said Chief King. "I want to thank the Chowan County Sheriff's Office and the North Carolina State Bureau of Investigation for their quick response. It is teamwork like this that makes and keeps our community safe."
