## **I live out in the county, can I still participate?**

At this time, curbside recycling will only be available to Town of Edenton residents and businesses who receive regular garbage bin pickup. County convenience center sites do accept recyclables.

**Who should I contact for more information or if I have questions about the curbside recycling program?**

For more information or any questions about the curbside recycling program, please contact the Public Works Department at (252) 482-4111 or the Public Information Office at (252) 482-2155 ext. 535. They will be able to assist you with any inquiries you may have.
