

Cemeteries

The Town of Edenton owns and maintains Vine Oak and Beaver Hill cemeteries located within the city limits of Edenton. If you need information on burial plots, or have any other questions or concerns, please contact Ofelia Beatty at Town Hall.

It is our goal to provide everyone with the necessary information when arranging a funeral service.

It is important to submit the Registration of Interment form at least 3 days prior to the scheduled date of service. This is necessary in order to confirm cemetery ownership, coordinate workload, and the scheduling which includes notifying the cemetery maintenance crew and marking/flagging the space for the scheduled funeral date.

The Town of Edenton performs **clean sweeps** of cemeteries seasonally. Please ensure you are adhering to our new cemetery guidelines and keeping items attached to gravestones and out of the grass. Thank you!
